## Tasting Notes

This fresh and lively 100% Pinot Noir Rosé is medium copper in colour. Aromas of lilac and strawberry are complemented on the palate by flavours of rhubarb and white cherry. This wine has a touch of sweetness which is balanced with a bright and vibrant acidity making this dry wine the perfect pairing to a creamy brie cheese or a Caprese salad.

## Harvest Notes

The 2022 vintage arrived from a very challenging 2021 winter with an arctic outflow that lasted for almost 2 weeks. Fortunately, all of our vineyards escaped the extreme cold unscathed. The rest of the 2022 winter was seasonal with the occasional dip in temperature past -8°C. Cool early spring temperatures led to a bud burst that was 10 – 14 days later than average and a slow start to the growing season. The cool weather and above average rainfall persisted through the entire spring. By the end of June, the weather had turned around and the typical dry, hot summer weather arrived and persisted until mid-August. A couple of typical Okanagan heatwaves came our way in July. Mid-August saw two weeks of unruly summer storms during which our vineyard on Upper Bench Road suffered a 15% crop loss due to hail damage. September was beautiful with +30°C temperatures for the first two weeks and clear skies throughout. For the last two weeks of September and the entire month of October the weather was beautiful with +25°C every day making these two months perfect for ripening grapes.

Harvest was approximately 2 weeks later than normal. With a tight time frame to get all the fruit off our vines, harvest began with the Chardonnay, picked for our Extra Brut on September 29, and ended on November 12, when the Munson Mountain Cabernet Franc was harvested. A steady growing season that started slow and ended fast resulting in ripe, well-balanced grapes for the 2022 vintage.

## Winemaking Notes

This wine is made from 100% Pinot Noir grapes which were hand picked & sorted in the vineyard before transporting to our crushpad. The winemaking team treated these red grapes like a white wine, extracting juice with very minimal skin contact leaving a very light colour. Fermented cool in stainless steel tank to retain freshness and preserve aromatics.

## Cellaring Notes
